

### Where is Triangle located?

We have three beautiful, state of the art facilities located in Upper Saddle River, New Jersey.

### Where can I view current job openings at Triangle?

Triangle posts current job openings on our website under the Careers | Online Application tab. If you are unable to copy and paste or upload a resume, there is a resume builder on the site where you can enter your work history manually.

Triangle is committed to providing accessibility to employment opportunities for people with disabilities. If you need technical assistance with the on-line application process, please call the Recruitment team at (201) 825-1212

### What happens after I submit my resume?

You will receive an e-mail acknowledging receipt of your resume. A member of our recruitment team will contact you if we determine your qualifications, skills, and experience are a match for our job needs. As you may realize, we receive many applications and inquiries, and wish to review each one carefully. This process may therefore take a few weeks, which we hope you will understand. Due to the large number of applications we receive, we are unable to respond individually to each candidate.

### What are the steps in Triangle's selection process?

If we determine you meet the qualifications of a current opening, a member of our Recruitment Team will contact you to schedule a time to discuss your background, experience, and the current available position. If it seems that the position may be a fit for you, we'll schedule on-site job-related assessments and interviews with the hiring team.

### What is Triangle's position on search firms or external recruiting agencies?

Triangle does not accept unsolicited resumes from search firms or recruiting agencies. We ask that prospective employees submit resumes directly online in the Career Opportunities section. If we seek the assistance of a search firm, we require a signed agency agreement and job order.

### How long will my resume remain in the Triangle database?

Your resume will remain in our database for a minimum of 3 years.
