

## **Triangle Supports “Share Our Strength” to Fight Childhood Hunger**

Triangle is proud to support Share Our Strength in their commitment to end childhood hunger. In 2008 the company sponsored a “Hinges of Hope” tour in the New York City. These tours provide prospective donors and key program participants the opportunity to witness programs supported by Share Our Strength.

Further promoting the motto “Everyone has a strength and everyone has something to share”, Triangle has developed a tradition of participating in the annual Great American Bake Sale, spreading Share Our Strength’s “No Child Hungry” message with our associates and their families. For more information on Share Our Strength, please visit their website at [www.strength.org](http://www.strength.org).
